DEVELOPMENT APPLICATION

The Applicant agrees to compensate the Cherokee Metropolitan District (District) for engineering costs related to this development project. Costs include but are not limited to responses to inquiries concerning this development's affect upon the District; engineering review and comments; development and production of exhibits; responses to inquiries as to location of water and wastewater infrastructure; system extension requirements; and responses to typical fees, charges and District rules, regulations, policies and procedures. The compensation to the District will be costs the District would not have incurred if the request had not be made by the Applicant.

Please contact the District if you have questions concerning the development. We look forward to working with you.
